- All information obtained from the MTT website: <http://www.michigan.gov/taxtrib>

- Highlighted lines indicate ET (Entire Tribunal) dockets. All other dockets are Small Claims Division.

- All "Dark Store Theory" cases are ET cases. However, not all ET cases are necessarily "Dark Store Theory" cases.

The MTT is divided into two divisions: the "Entire Tribunal" and the "Small Claims". With the exception of principal residence and qualified agricultural exemption appeals, any case may be filed in the Entire Tribunal. Only certain cases-property disputes involving residential property,

poverty and disputes involving other classifications with amounts in contention under \$100,000 may be filed in the Small Claims Division.

** Indicates Michael Shapiro's cases (Shapiro works for the Honigman law firm and is responsible for the "Dark Store Theory" concept).

* Indicates Honigman law firm cases NOT listed as Michael Shapiro's cases.
